

Please join AE in praying for our brothers and sisters in Malawi.

Join us in thanking the Lord:

- Praise the Lord for the identification of women who will start their sewing training in February at the Lilongwe sewing project.
- Praise the Lord for the Foxfire youth evangelists who will start their training in February.
- Praise the Lord that all staff returned from holidays in good health.
- Praise the Lord for the ongoing prayer and fasting which AE Malawi staff have been refreshed by over the New Year.
- Praise the Lord for both the local and the international donors who supported AE Malawi in 2017, and are continuing to do so in 2018.

Please pray for:

- God's guidance, resources and health for AE Malawi Board, staff and supporters in 2018.
- Pray for the finances for the women's sewing project in 2018.
- Pray for local churches in Malawi to give towards AE work in 2018.
- Pray for the 'Lilongwe City South for Jesus' mission preparations (14 – 20 October).
- Pray for Malawi, as political parties have started campaigning for the May 2019 General Elections. Pray for peace in the campaigning process.
- Pray that the 'Turnaround' project proposed by other partners will bear fruit.

Every blessing,

**Enoch Phiri,
AE Malawi Team Leader**
